

**Boris Braun** is Professor of Human Geography at the Institute of Geography of the University of Cologne. He finished his Ph.D. in 1994 and his habilitation in 2001. The main research topics are economic geography as environmental and regional research. Non-European main research areas are Australia and Southeast Asia. He undertook many long lasting research stays in Australia which resulted in publications such as *Neue Cities australischer Metropolen (Bonn, 1996)*. From 1997 until 2007 he was a chair member of the *Gesellschaft für Australienstudien e.V. (GASt)* as well as from 2001 until 2007 the first deputy chairman. Also he was evaluator at the DAAD for Australia and New Zealand.
