

Call for a Post-Doc Research Stay at the University of Cologne

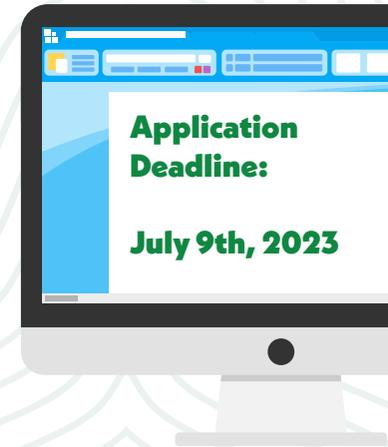

2023

Be part of the NiReMas project by building up long-term internationalization and research management structures between Nigeria and Germany.

The NiReMaS project aims to build up research management structures and international research networks between Nigeria and Germany.

There is an opportunity to come to Cologne for a 1 month research stay to develop a research proposal and build up a relevant network. There are three scholarship available, one for 2023 and two for 2024 (!).

Please describe on your application in 2-3 pages what the aim of your research stay is and with who you could work together here in Cologne. Please indicate in which year you could realize the research stay (if you would prefer 2023, 2024 or if both would be possible) For more information you can contact us or the coordinator of the NiReMaS project at your university.

APPLICATION

Post-Docs, Junior Professors and Full Professors from all disciplines from the three partner universities Afe Babalola, University of Ibadan and University of Lagos can apply for a 1-months research stay scholarship in Cologne. The scholarship includes flight costs (up to 1.100,-€) and a monthly scholarship of 2.000,-€.

If you are interested, please upload your application by clicking the following [link \(https://form.jotform.com/221354363367961\)](https://form.jotform.com/221354363367961) including:

- Short CV
- Project description for your research project in Cologne including possible links to research areas of the University of Cologne (1-2 pages)
- Indication of possible research cooperation partner at University of Cologne
